Dear Sir:

I am pleased to confirm your reception of radio station KOBY, San Francisco on
August 9, 1959 from 11:57 to 12:00.
We have checked your report and find it to be correct.

KOBY operates on 1550 K. C. with a full time power of 10,000 watts using a
directional antenna with different patterns day and night.

Other information you requested.

K.O.B.Y. went on the air on October 8, 1956

Call letters signify "Knockout On the BaY" although this is
not used much anymore.

Sorry , no coverage map available at the present time, Maybe
sometime later.

KOBY Engineering Dept.
