Dear Mr. Cooper,

Please pardon the delay for answering your very fine letter. Your report was indeed accurate. Unfortunately, other things invariably take precedence over this type of correspondence.

As editor of NRC, perhaps you can pass along some information to your members. We do appreciate hearing from them. If they will send along a self addressed stamped envelope, a reply is more assured and certainly faster.

Best wishes and continued success to all the members of National Radio Club.

Cordially,

Vic Sanders
Operations Mgr.

p.s. Until we get some other cards printed, I hope that the enclosed one will suffice.
