Dear Mr. Cooper,

WBZY is pleased to verify
your letter of reception of May 19th.

You are correct in stating
that WBZY was known as WLCR. We are under
new ownership, with Al Capstaff of Monitor
as President of the corporation. This change
took place the first of May. We would be
happy to forward a coverage map, but at the
moment are sadly lacking in such. I will
forward one as soon as able. Weekdays we
sign on at 630 am. and Sundays at 8am.

We hope you reach 100% on
your stations.

Sincerely,

Delores Mubarek
