Dear Sir:

Thank you very much for your cooperation with station  
W C N X by sending in listener reports.

Your comments and reports were very helpful to us in  
determining radiation patterns.

We regret that of this date we have not received the  
W C N X verification cards from the printer. However  
we shall be pleased to send you a card at the earliest  
opportunity.

Again, the W C N X engineering staff wish to thank  
you for your communication.

Merry Christmas,

*K.A. Bishop*
