Dear Sir:

I am pleased to verify your reception of WGTH on February 22, 1954 from 4:33 P.M. to 4:54 P.M.

In answer to your questions, the reason for the new call letters is that the station is under a new corporation. The new call letters were put into effect on February 14, 1954 at 8:00 A.M.

WGTH is directional both day and night, and is projected north and south. It protects Pittsburgh.

Thank you for your report, and I hope that you will continue to listen to 1410 kc. in Hartford.

Very truly yours,

Rogers B. Holt
Chief Engineer
