J. DEME, Owner-Manager

Dear Mr. Cooper,

Thank you very much for your letter.  
I was very surprised to hear that our signal got  
down to you at all.  
The log you submitted was accurate.

Our sign on time during the week is 5:30 AM and off  
at night at 12:15 AM. Sundays we go on at 6:55 AM and  
off at 12:15 AM.  
We do not have any set early morning frequency checks.  
We occasionally go on in the early morning to check  
any repairs we might have done but not on a schedule  
basis.  
WINF or rather the INF stands for Information.  
We first went on the air in May of 1958, I forget  
the exact date, our enclosed coverage map should  
give you the rest of the information you requested.

Nice to hear from you and if your ever in  
this area do drop in and say hello.

Henry L. Robert  
Chief Engineer
