Dear Mr. Cooper:

Your letter dated October 26, 1992 was addressed to Warren Gregory, the previous owner of WKZE. I assume it was passed on to him.

I appreciate your taking the time to write to us and am delighted that you can, from time to time, pick us up on the Cape. Yes, we are at 1020 on the dial and, in the very near future, we will be broadcasting on a newly assigned FM frequency of 98.1. Please let me know if you are as successful picking up the FM as you are the AM station.

Thank you again for your attention.

Sincerely,

A handwritten signature in black ink, appearing to read "Stan".
