VERIFICATION REPORT

May 4, 1948.

Dear Mr. Cooper -

Thank you for your letter of April 15.

This is a verification of your reception of WNLK on Thursday April 15, 1948 from 4:43 P.M. to 4:57:30 P.M. E.S.T. WNLK went on the air as a daytime station of 500 watts on April 17, 1948.

On April 15, we were on as a test for the local radio inspector who permitted us to operate so that he could check our equipment.

Listen again to WNLK.

Very truly yours,
Thomas J. Lemmo
Chief Engineer
