Dear Sir:

Thank you very much for your report of the 9 th.  
Glad to know we can be recieved in your area. We have  
only been on the air for a couple of weeks, so It's  
nice to get some reports from the outlieing areas.

I am enclosing a coverage map as you requested. It  
happens to be the back of the rate card, but it was taken  
off the engineering maps. Our frequency checks are done  
by a firm in Hartford, Connecticut, and are done during  
regular broadcast hours.

Thanks again for the report, and keep up the good  
work.

Sincerely yours,

*Teddy*
