Mr. Ernest R. Cooper  
438 East 21st Street  
Brooklyn, N.Y.

Dear Mr. Cooper,

I am sorry that you have had to wait so long for your verification, but I believe that the letter must have been lost in the mails.

This will verify your reception of WSRR on January 16th.

We do not have any frequency check, and we are not planning to have any special DX programs at this time.

Very truly yours,

*John Reilly*
