Dear Mr. Cooper:

This is to verify your reception report of WTBY radio and, yes, yours is the first one received.

The reason for the new call letters is...new ownership and management. WERY was purchased by Trend Broadcasting, Inc., our call letter change was effective as of November 25, 1968.

I am enclosing one of our new coverage maps, I hope it will be helpful.

Sincerely,

ALLEN S. BERLAND
PROGRAM DIRECTOR

P.S. Although it has been twelve years since I have been there, I was born and raised on Bartlett St.
