Dear Mr. Cooper:

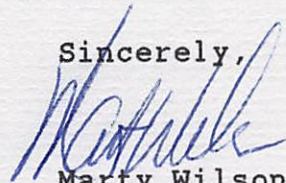

It was so nice hearing from you to report reception of WXCT. Your information corresponds with what we had on the air at the time so you most definitely were listening to us.

WXCT is also known as BUSINESS RADIO 1220 and we are business news and talk 24 hours a day. Our daytime power at this time is 1KW, then 500 Watts for one hour after local sunset, and 320 watts thereafter.

Thanks so much for dropping us a line. Let us know if you've had the opportunity to pick us up again.
