Gentleman:

We are forwarding this one to you in order to answer your very kind report dated January 16th.-

We have checked all the facts you stated in your letter and found that it is correct in every respect.- We are sorry you haven't able to tune the whole program, but what you did do enough to see that everything is correct.-

Our equipment is located in the north coast of the Island, in the Provincia de Oriente, we are working with a 250 watter, with an "L" inverted antennae about 70 feet long and at a sea level of 80'.- We hope you'll very glad to keep on this reply to your report as we see you are a First Class DXer and you'll have by now 1084 verifications cards. We are sorry not to send you a postal card for verification but hope this will be a good one.-

We are broadcasting from 9 to 11.30 a.m. and 5.30 to 10 p.m and beg you try to tune us at that time of our regular schedule.-

Many thanks to you for your attention in reporting us and hope you'll be able to it again.- With the best wishes for your success in this year, we are yours very truly
