Mr. Ernest R. Cooper, Editor  
National Radio Club  
438 East 21st, Street  
Brooklyn 26, New York, U.S.A.

Dear Sir:

We were very glad to receive your letter reporting reception of our station, and this is to verify same.

You mention that many members of the National Radio Club have heard CMOX, but as they are having trouble establishing the identity of the station, we would very much appreciate if you let them know our address.

We are trying to find out with the former owners of CMOX if this was the same station you heard back in the 30's, but we think that our channel has always been 1490 Kc. since the station started operating, which was around 1930. As soon as we have the correct information, we will write you again.

Our operating hours are 24 hours now, with a rest at midnight on Sundays until Monday at 7:30 a.m. The power we use is 250 watts.

Thanks very much for your kind words and your wishes of good luck.

You will hear from us soon concerning the data you request.

Most obliged, we are

Yours very truly,

CUBAN AMERICAN RADIO
