50 Anthony St.
Provincetown, Mass. 02657

Dear Ernest,

This letter confirms reception of WMDO during an equipment test on the morning of Feb. 25, 1983. The test was received by about 15 others who sent letters and two who called but requested no verification. Hear from places like Montreal, Toledo, Cleveland, and the record ^{distance} was St. Louis. Enclosed is a coverage map.

Sincerely,
John H. Hefter
