

Dear DX'er Ernest,

This card is to verify your reception of our frequency check program on the 12th of Oct., '43. We will be happy to dedicate a frequency check program to the DX'ers. Our frequency checks are made the 2<sup>nd</sup> Tues. of each month. Just let me know soon when you want a DX'er's program. How can I join the Nat. Radio Club? Heretofore I have been a free-lance DX'er. Send me some information about DX news and I will send you our station data later. I have an EC-3 receiver (4 tube) and a doublet ant. How about some pamphlets.

(We got a pile of reports from other members of the NRC.)
