Mr. Cooper;

On behalf of the staff and management of W U S T Radio I would like to thank you for your time and interest in sending us your verification of our broadcast on Sept. 29th and the 30th. Your were very detailed in your description of our broadcast. The person who was on the air at the time of the broadcast was "MOON MAN" William Bacote who is on the air from 3:00 p.m. until 7:15 p.m.

Judg#ing from your letter you seem to be very interested in your hobby. I would like to hear from you again very soon ~~###~~ maybe even a phone call. I would like, sometime, to talk shop with you, for I used to DX as a hobbie before I made a car#eer out of the broadcast field. Later on, if you wish, I will send you a taped air check of our broadcast for you to keep on file. Once again I would like to thank for your time and interest in sending your letter.

Your, s truly

Mark Howard
