National Radio Club
438 East 21st Street
BROOKLYN 26,
NEW YORK

Dear Sir,

Many thanks indeed for your kind letter of the 10th February, which, at the same time, proved to be a fine and correct report of reception.

The station you heard on the morning of the 10th was our Flemish National Station, broadcasting with a power of 150 Kw. So, the language spoken was Flemish (officially called Dutch).

By separate post I am sending you some documentation regarding our different stations, national, regional and S.W.

Thank you so much for your sympathetic words and your friendly attitude towards our little country and I readily associate myself with your kind wishes.

Yours sincerely,

The Head of the
Foreign Relations Service,

M. SWAENEPOEL
