Brooklyn,  
New York, 11226.

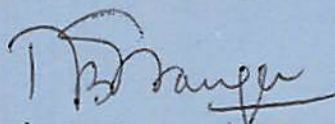

Dear Sir,

Thank you for your reception report of the 5th February and we also apologise for our delay in replying.

We can confirm that our Scottish Home Service was transmitting the programme details given by you on 809 kc/s. We have a number of transmitters operating on this frequency. They are as follows:-

Burghead	100 kW
Westerglen	100 kW
Redmoss	5 kW
Dumfries	2 kW

Yours faithfully,

(M.B. Stanger)

for

Head of Engineering Information Department
