

Direction Régionale de Nancy - 6, Avenue H.-Maringer, NANCY

Téléphone : 53.85.26 & 53.85.27

Nancy, le 4 Février 1970

Dear Sir,

I have well received your reception report from the 27 Janvier 1970 Thank you very much.

You will find below some informations concerning NANCY 836 kc/s - 359 meters.

Our broadcasting station is situated at NOMENY, about 20 miles North of Nancy.

Its power is 2 x 100 kW, with plate modulation. It is a system with power amplifying valves cooled by water vapour.

We use a tower radiator about 550 ft high. Our local programs, Nancy broadcasting studio, are at the following times :

Every day : 7H15 - 7H55 (GMT +1H)
12H30 - 12H45
19H15 - 19H55 (Sunday) :(19H30 - 19H58)

and alike

Sunday : 14H03 - 15H00 News and varieties
Monday : 20H25 - 21H45
Friday : 21H45 - 22H45 with a variety show

Apart from the a/m, we relay Paris FRANCE INTER programm, between 5H30 and 24H00.

Faithfully yours,

Le Délégué du Directeur Général,
L'Ingénieur Régional,

J. PARISOT
