Dear Sir

I acknowledge receipt of your kind letter of January, 1, 1958, which I thank you very much.

I have checked your reception on December 29, 1957, since 2133 up to 2138, G.M.T., and it looks that most probably it was CSB-5, working on 1578 Kc/s, that you ^{were} receiving at this time.

I would like to let you know that CSB-5 has increased its power to 10 KW in October 1957.

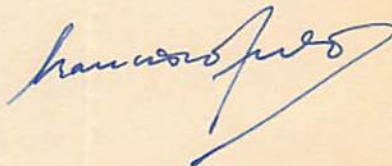

I very much appreciate your kind wishes regarding all of us, and I too, as well as every-body at CSB-5, are wishing all the best for you, the members of your Radio Club and the nice people of U.S.A.

Yours faithfully

De V. Ex^{sa}.

Muito atenciosamente
