Dear Mr. Cooper . . .

Thank you for your letter of April 61, 1983. WAJL is always glad to hear that the gospel of Jesus Christ is reaching to the four corners of the world. We apologize for the lateness in answering your letter, however, the letter of 9/26/82 was evidently misplaced and for that reason, you did not receive an answer

The information concerning the reception of our station on Friday morning, April 15, 1983 on 1440 kHz is correct and the gaps in that are understandable. We thank you for letting us know that even on a "skip" that WAJL is able to reach out and to fulfill our Lord's command of spreading the gospel.

Sincerely,
