Mr. Ernest R. Cooper, Editor  
National Radio Club  
438 East 21st Street  
Brooklyn 26, New York

Dear Mr. Cooper:

Thank you very much for your letters of March 26 and July 30 concerning our equipment test of March 26. I am sorry your letter did not receive prompt attention..... WBGC staffers have been extremely busy since we went on the air.

You asked some specific information about the city of Chipley. She could hardly be referred to as a city, since our population is only about 2500. The name was derived from Colonel Chipley, owner of the first railroad to come through Chipley. The town was build by people brought to Northwest Florida by Chipley's railroad. Nearby towns are Bonifay and Graceville. Our call letters, WBGC, are a combination of the first letters of each of these three towns, Bonifay, Graceville and Chipley. Each town is in a different county, and we call ourselves the Tri-County area.

We are on the air from 5:00 AM to 10:00 P.M. each day. Our best wishes with your DXing.

Very truly yours,

*Charlotte Kent*
