Dear Mr. Cooper:

Many thanks for your letter and report of reception of WBOY's test broadcast on March 8, 1953 at 2:06 AM. Your report checks perfectly with our records.

You mentioned about the possibility of having received other verifications signed by me. I am quite sure I remember your name and it was probably when I owned WABJ, Adrian, Michigan and WGRO, Bay City, Michigan, that you reported reception of those signals.

I hope you will continue sending these detailed reports whenever you hear WBOY. You can be assured the reports are appreciated.

Sincerely yours,

Gail D. Griner
