Ernest R. Cooper, Editor
National Radio Club
438 East 21st Street
Brooklyn 26, New York

Dear Ernie:

1000
WATTS

Please forgive the long delay in confirming your reception report of WCCF Radio, but your letter has just now reached my desk.

W

Your report conforms to our official station log for November 24, 1962.

C

Enclosed you will find a coverage map. WCCF signed on the air Sept. 15, 1961. We sign on at 7:15 this month, and at 7:00 in February, 6:45 in March, and 6:30 all other months.

C

WCCF stands for Wonderful Charlotte County Florida.

F

We are licensed on 1580 kilocycles to operate daytime with a power of 1,000 watts, with a directional pattern predominantly north-south.

1580
KCS.

Good luck with continued dx reception. Hope you will be able to tune us in frequently. If you're ever in this area be sure to stop by the station.

Sincerely,

William T. Watrous

William T. Watrous
Program Director

The temperature in Punta Gorda today is 79 degrees!

It's great to be in the sunshine state!
