Dear Mr. Cooper,

I am happy to verify your DX of May 18, 1981. You have enough of the facts to identify exactly what was going on. The fact you don't mention her name makes me think this female trainee deejay needs to be coached about that!

The next time you come this way, I hope you will come by the station and see our studios. We would be most happy to have you!

Yours truly,
