Dear Mr. Cooper:

It is with pleasure that we verify your reception of our frequency check broadcast of February 22nd. Your reception is correct as given. Incidentally we had similar reports of receptions from Illinois and Ohio. We notice you mention that you have had verifications from WDAT in the past. That was the old call letters of our station.

We are enclosing a coverage map which you requested, and of course we are sold on the state of Florida for living. Sorry we have no Chamber of Commerce brochures to send you.

Incidentally we are an all Negro programmed station, and have been since April, 1962.

Thank you for your interest and cooperation.

Yours for good reception,
