Dear Mr. Cooper:

Thank you for your letter reporting the reception of tests signals from this new radio station. Verification is made herewith.

WGNE radio has been on the air since June 25, of this year. We are a 500 watt, daytimer, with a top forty format. Presently, we are enjoying a smash success locally, since we filled a gap in radio in this area. Our only complaint thus far has been that we are a daytimer.

Since Panama City Beach, Florida, doesn't enjoy the fame of some Florida resorts, I am enclosing some of our Chamber of Commerce literature. Perhaps it will entice you to accept my personal invitation to visit us at your earliest opportunity.

Very truly yours,

Jim Bates
