Dear Mr. Cooper:

This is to confirm your report on the reception of our WIOK Equipment test. Our equipment test was completed as of November 25, 1954.

Our frequency measurement will be conducted on daylight hours. The transmitting studio equipment is Colling exclusively. The Antenna is a single vertical 220' guyed radiator.

WIOK is affiliated with a sister station of WSOK in Nashville, Tenn. The scheduled opening is the 1st day of December 1954.

Sincerely yours

Selma Klein, Secy.
