Mr. Cooper,

Thank you for the letter regarding your ability to hear Jaguar 1320 AM WJGR in Provincetown. We are a 5,000 watt AM and have changed our format to News/Talk/Sports on November 23, 1993. The program you were listening to is called "For The People", and it originates from the Telford Hotel in White Springs, Florida.

The one commercial you mentioned was for a guy named Earl Pitts, and we sell merchandise for him. He is a comedy character that we air during the week.

Other than that, all other accounts of your morning in the South were accurate. Thank you for taking the time to tune in Jaguar 1320 AM WJGR!
