Dear Mr. Cooper

Thank you for your interesting letter reporting reception of this Station on the morning of Monday, March 23, identification being logged at 2:31:40 AM and 2:58:30 AM.

We operate on a regular program schedule twenty-four hours each day except on Monday mornings between midnight and five AM. During the experimental period on Mondays you could be hearing either day or night pattern and either the regular or standby transmitter.

Yours very truly
