Dear Mr. Cooper,

Thank you for your letter of November 1, 1961.

This will verify your reception of W Q X Q on the morning of November 1, 1961 from 4:00AM to 4:05 AM.

I am enclosing our coverage map and a descriptive brochure.

W Q X Q first went on the air August 1, 1957. We sign on seven days a week at 4:00 AM. The station is completely automated and controlled by a telephone answering service in Daytona Beach three miles from the transmitter and automation equipment.

As for the call letters the WQ at the beginning of our call does not indicate any particular type of programming although many good music stations do seem to apply for call letters similar to ours.

Again, thanks for the fine letter and hope to hear from you again.

Best DX,

*Lee Menard*
