

WTWB

Auburndale, Florida

1570 kcs - 5,000 watts.

To: Mr. Ernest R. Cooper, of the National Radio Club.

This card will verify your reception of WTWB on the late afternoon of January 14, 1967, during our last few minutes on the air, and during Aurora Borealis conditions. Thank you for your correct report.

EN 1768 - *Richard Boyce*
