Dear Ernest,

Thank you for your letter and I'm sorry it has taken me so long to reply.

Yes, it was us that you heard on April 8, 1991. We have changed our call letters from WCCZ to WWBH and we are now playing "Easylistening" music. There was no station, AM or FM, in this area that could be played in stores without alot of meaningless talk. We filled that hole and our station is getting more popular every day. We are a "Mom & Pop" operation with just my husband and I - no employees. We are computerized, so everything runs by itself. We also changed our address to 412½ Canal St. So in a sense we are a brand new station.

In your letter you mention at 3:03 a new 50,000 watt radio station. That was not on our station. No 50,000 watters around here! I wish! The promo we ran said an all new radio station coming soon.

Again, I'm sorry it took so long to write back. We've been very busy around here lately!

Best Regards,

Debbie Belz
