Dear Mr. Cooper:

Although we do not have your original letter on file, and since it was addressed to Miss Pamela Ronfeldt, who left our employ at about that time, it may have been forwarded to her, without knowing its contents.

Since we received quite a few letters reporting reception of our signal on the same date and time, we are pleased to confirm your reception also.

Thanking you for your interest, we are

Yours sincerely,

Vergie E. Boyd
Secretary to Manager
