Dear Mr. Cooper:

My sincere apologies for not answering your earlier request for verification of reception of WYSE Radio. Up until recently, these requests were given directly to the chief engineer, who should have answered. He is no longer with the station, however, and I am receiving these requests.

I am happy to verify your reception on February 20, 1966, as stated by your log.

Thank you for your interest.

Sincerely yours,

Thomas W. Lawson
General Manager
