Mr. Earnest R. Cooper
National Radio Club
438 East 21 Street
Brooklyn, New York

Dear Mr. Cooper:

Thank you very much for your letter in which you reported reception of our frequency test broadcast.

At the time of the test broadcast I was acting as Chief Engineer and your letter addressed to the Chief Engineer was forwarded to me. Your identification is obviously correct and we appreciate the details on our signal strength.

Our next scheduled test broadcast will be on November 25 from 2:00 to 2:15 A.M. (EST).

Wishing you lots of DX, I remain,

Yours very truly,

Frank Hardman

Frank Hardman,
Assistant Chief Engineer.
