Dear Mr. Cooper:

This is to acknowledge your very fine DX report of Dec. 25, 1946. WBBQ was placed on the air for the first time on that date.

For your information, we will begin regularly scheduled broadcast activities on or about the 12th of January. We will sign on at 6:00 AM, and our sign off will be at 12:30 AM.

If you will advise us as to the most advantageous date we will be happy to run a special program for The National Radio Club. We will be on the air between the hours of 1:00 and 6:00 AM nearly every morning during the month of January, for the purpose of conducting frequency checks.

Therefore, we will look forward to your early reply. Thanks again for the report.

Cordially yours,

E. D. Freeman
