Thanks for your letter dated September 30.

We certainly appreciate the report you have given us and hope that you will be hearing us often. This is to confirm that the time that you heard us was correct in every respect.

The equipment here at WBHB is Gates equipment throughout. The transmitter is Gates Model 250-C-1 using RCA 810's push-pull in the final, with 250 watts. The Modulators are also RCA 810's class B.

Hoping to hear from you again.
