Dear Mr. Cooper:

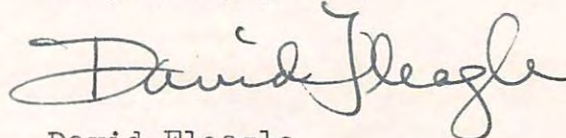

This is to report your reception confirmation VERIFIED.

Thank you very much for your nice letter of November 2, in which you reported the reception of our station. All of us here were overjoyed at the news that our signal was received in Brooklyn! We are glad to be your 92 verification from Georgia.

Buford is a small town of approximately 5,000 persons and derived its name from an old family living here. We expect to go on the air November 15 as a daytime station. We are not affiliated with any other station and WDMF stands for the owner's initials. As to our early morning frequency checking period, Atlanta can read us on regular schedule.

Thank you again for your letter and if you are ever "down South" drop in to see us.

Very truly yours,

David Fleagle
