Dear Ernest:

We are in receipt of your letter of March 22, 1948, reporting reception of our equipment test broadcast of the same date.

Wish to thank you very kindly for your FB report. We hope to get on the air with normal programming April 1, 1948. We will be an independent station, operating in the daytime only, so it is doubtful if you will ever hear us when we do go on the air with regular programs.

We hope this letter will serve as a letter of verification of your reception of WDWD. Best wishes for continued success in DXing.

Sincerely,

Jim Honey,
Chief Engr.

Joe Stephens,
Asst. Engr.
