

WFPM

1000 WATTS - 1150 KCS . . STUDIOS AND TRANSMITTER - ROBERTA ROAD . . FT. VALLEY, GEORGIA

7 July, 1951

Dear Ernest,

Sorry to be late answering your nice letter but we have been badly understaffed here at WFPM until recently.

First, I completely verify your reception of our station. Your listing of what was being broadcast was 100 percent correct.

As for facts concerning the town of Fort Valley, if you will write the chamber of Commerce they will be happy to send you a brochure with full historical facts and present information concerning the town fo Fort Valley and the surrounding territory.

The letters WFPM stand for "'World Finest Peach Market'" as Fort Valley is the center of the nation peach industry.

WFPM is scheduled to operate from 5:30 to 7:45 EST with a range of 85 miles. We plan no more early morning test runs , so it is doubtfull if you will again hear us, but if you do please drop us a line.

Better DX,

Carlton Shy Jr.
