Mr. Ernest R. Cooper,
438 East 21st Street,
Brooklyn, N. Y.

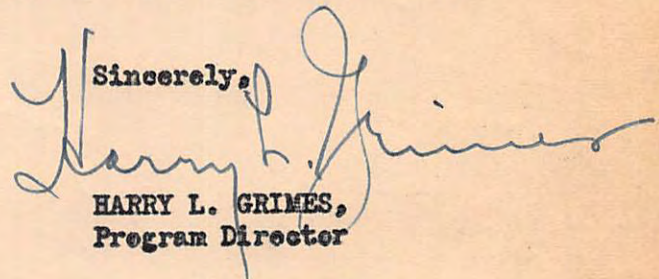

Dear Mr. Cooper:

It is with pleasure that we acknowledge and verify your report of reception of this station on special NRC dedication DX program 3:30 to 4:30 AM EST, on December 19, 1940.

Yes, I am the same Harry L. Grimes who was at WGAU for some two years. Doubtless I sent you verification from there, as I always do verify for whatever station I'm with. Went from there to WJHO, a new station at Opelika-Auburn, Alabama, then here--working for both this station and Governor Rivers' Cordele station.

Thanking you for your card, and with very best wishes for the New Year,

Sincerely,

HARRY L. GRIMES,
Program Director
