Ernest R. Cooper Editor
National Radio Club
438 East 21st Street
Brooklyn 26, New York

Dear Ernest:

Thank you for taking the time to write us, and let us know of your receiving WGSR Radio.

It is always a pleasure to hear from you fellows who DX the year round.

I'll do my very best to fill you in on WGSR, and answer the questions asked in your letter as thoroughly as possible.

WGSR Radio has been on the air for a little over three years now, we signed on the air in October of 1958. October 12th to be exact. Our regular operating hours this month, they change month after month you know, are 7:15 AM until 5:30 PM. Our transmitting operation consists of a Gates 250T transmitter, a Gates "Studioette" console, coupled with a 186' quarter wave transmitting antenna. The stationery is self explanatory as to the significance of our call letters and I am enclosing a coverage map as per your request.

If there is any further information you would like, I will do my best to provide it.

Thanking you once again for your inquiry, and remaining yours for the best of broadcasting, I'll close by saying, "listen in again real soon."

Yours very truly,

" "
Charles S. Chuck, Taylor
WGSR RADIO PROGRAM DIRECTOR
