Dear Mr. Cooper:

This is to verify your reception of WJJC on the morning of August 28, 1957.

Our Engineer was making the regular monthly frequency check.

WJJC began its daily operations on June 27, 1957 as a daytime station that is from Sunup to Sunset.

The last two call letters identify Jackson County, and we are an independent station locally owned and operated.

Commerce is located in beautiful Northeast Georgia between Athens and Gainesville. Our population is approximately 6,000.

This is a vast poultry producing area, along with many other important industries.

We appreciate your letter and have received several from DX fans since going on the air.

Enclosed you will find our recent coverage map.

RECEPTION VERIFIED.

Very truly yours,
