VINCE AND BEN

*Better late than never. Sorry, we don't have a coverage map, I think. This is the second station owned by the boss, Mr. Max Pfander. Other station is WKLY, Hartwell, Ga. — over —>*

No significance to letters. How about - "We kinda  
like Everybody?" Once in a while, monthly, the  
engineers make a frequency check. Made one a  
couple of weeks ago, as a matter of fact!  
We are a sunrise to sunset station. But we sign  
on daily at 6:00 AM and during the summer, we sign off  
earlier than we have to, so itevens itself up on the  
year.  
And a happy New Year to you, too. (In case you forgot, you  
wished us a Merry Xmas!
