Dear Mr. Cooper:

Thank you for your letter of November 24 advising reception of our station's signal in Provincetown, Mass. The information you report of correct for that day and time.

You are correct in your information that on October 29, 1969 that WKOG was then WCIK. WCIK folded and Piedmont Broadcasting Company, Inc. took over and the call letters were changed to WKOG.

WKOG operates on 1560 KHZ with a power of 5 KW. As WKOG is a daytime station we are on the air in December from 7:15 a.m. until 5:30 p.m. EST. But keep listening we'll be going FM in the next 30 days and we hope before January 1, 1976.

Have a Merry Christmas.

Yours truly,
WKOG Radio
