Dear Mr. Cooper,

This is to verify your reception of WMVG on March 26, 1946 and also on June 3, 1946. Both reports are correct according to my log.

Thanks for the interesting information included in both these reports. Hope you will accept my apologies for the long delay in replying to your report. The new station is doing fine for 250 W.

Thanks again for your interest,

Yours truly,
