

Dear Mr. Cooper

Our general manager Jerry Franks has referred your recent letter to me concerning your reception of our frequency check on September 26, 1962. Your report is correct in all respects.

This check was a reschedule of our regular schedule. Normal testing is the third Tuesday of each month from 3:30 to 3:45 AM EST. This is a Tuesday morning by the calendar, but often thought of as a Monday night. Visitors are always welcome
