

W R B N

WARNER ROBINS, GEORGIA

1600 kilocycles

1,000 watts

Dear Mr. Cooper:

Your reception of WRBN on Friday, April 4, 1975 is correct. This was our regular frequency check.

You also heard us on Monday, April 14, 1975, with an equipment test broadcast.

Thank you for your reports to our station.

Signed for WRBN by: *Ray McDonald Ch. Eng.*
